Now that you have Bitcoin available on EDGE, you're ready to fund your sports account.

First, go to the BookMaker website since that's where you will be getting the address to send the funds to.

Just log in to your account and follow these steps:

- 1. Open the Cashier
- 2. Select Withdraw
- 3. Choose Bitcoin

NOTE: We highly recommend withdrawing your Bitcoin out of your Edge wallet as soon as you receive it. This way you can protect yourself against any possible drop in the value of Bitcoin.

Once the Bitcoin hits your EDGE account, open the expandable menu on the top right corner and select **Sell Cryptocurrency**:

On the next screen, you'll see two options: "ACH Bank Transfer" and "Gift Cards".

- > ACH Bank Transfer lets you convert your Bitcoin into USD and withdraw directly to your bank account.
- **Gift Cards** lets you use Bitcoin to purchase gift cards, reload pre-paid mobile phones and more.
